## Share Your Feedback on Boundary Adjustments

Over the last several weeks, a Boundary Review Task Force has been reviewing boundaries in all Salem-Keizer high school feeder systems. Boundary adjustments are needed to fully utilize the additional capacity being built in the 2018 bond program and to balance enrollments across the district.

All school boundaries are being reviewed in the process, however not all boundaries will be adjusted. Comparatively few changes are expected for the McNary and West Salem High School feeder systems, with more changes expected for the McKay, North Salem, South Salem and Sprague feeder systems.

The Task Force is working to prepare a recommendation for boundary adjustments that will be presented to the Superintendent at the December 11, 2018 School Board meeting.

Parent and community feedback on boundary adjustments is important! The Task Force will hold Boundary Open House events to receive feedback from the community.

**Please plan to attend the Boundary Open House events:**  
- Tuesday, November 13

**Open House events will be held from 6 to 8 pm at the Career and Technical Education Center (CTEC) at 3501 Portland Road NE in Salem.**

For more information on the Boundary Review Task Force or the Boundary Open House events, please visit the boundary adjustment page on the district website, [www.salemkeizer.org/2018-bond-program/boundary-adjustments](http://www.salemkeizer.org/2018-bond-program/boundary-adjustments)
